

Werkstattseminar

Particles, Strings and the Early Universe

SS 10

- Date:

Tuesday 11.00-12.30, Seminarraum 2

- Organisational Meeting: 6.4.

- Talks:

13.4. Supersymmetry breaking in global supersymmetry

20.4. Supersymmetry breaking in supergravity

27.4. Supersymmetry breaking in AdS, dS, M backgrounds

11.5. FI-terms in supersymmetry and supergravity

18.5. Dynamical supersymmetry breaking (SR 1)

1.6. Metastable non-supersymmetric vacua

15.6. Gauge mediation

22.6. Effective theory for a light gravitino (SR1)

29.6. Anomaly mediation

6.7. Supersymmetry Breaking in String Theory

13.7. Fluxes and Torsion

W. Buchmüller

L. Covi

J. Louis
